Memorandum of Law
In Support of Order to
Show Cause for Preliminary
Injunction and Temporary
Restraining Order

11 -cv- 1417 (sr) (LB)

State of New York) ss.:
County of)

Ann Burton

, makes the following affirmation
under the penalties of perjury:

I, Ann Burton, am plaintiff in the above-entitled
action, and respectfully move this Court to issue an
order enjoining defendants Silvercrest Center for Nrs & Rehab, et al,
to immediately cease and desist death threats and
attempts, unlawful terroristic daily home invasions,
stalking, theft of case documents and personal property,
theft of money, damage to plaintiff's property, gaslight-
ing, counterfeiting plaintiff's handwriting, mail and
telephone interceptions, computer hacking, food and
water tampering, harassment, and obstruction of

justice, and Order an Order of Protection and Restraining Order until a final disposition on the merits of the above-entitled action.

I am proceeding by order to show cause rather than by notice of motion because On August 1, 2011, plaintiff sustained a major injury from tainted tap water at her residence; in addition to harassment at Civil, EDNY and SDNY Courts. Therefore, plaintiff cannot wait the normal time it takes when a notice of motion is filed. Plaintiff fears for her life.

I have made the following attempts to contact my opponents and inform them that I am seeking a temporary restraining order: I have contacted depts and demanded to Cease and Desist a list of unlawful actions of reprisal against pltf, which evoked no response.

Unless the preliminary injunction and temporary restraining order are issued I will suffer immediate and irreparable injury as shown by the following facts: (1) plaintiff's voice box is damaged by tainted water, Queens Fresh Meadows LLC has failed to change lock, Stormans Security was bypassed, automobile vandalism, ineffective Mut-T-Lock, DOH, DEP and Landlord have failed to test pltf's water, illegal home invasions are relentless; (2) The harm will not be taken care of adequately by winning

the case in the end: (3) I will most likely win the case in the end: and (4) the harm to me is more serious than any harm your opponent will suffer if the Judge orders a preliminary injunction to protect plff.

As can be seen from the foregoing, I have no adequate remedy at law and am entitled to a temporary restraining order and preliminary injunction described above, as well as such other and further relief as may be just and proper.

I declare under penalty of perjury that the foregoing is true and correct.

I declare under penalty of perjury that the foregoing is true and correct.
